AWESOME FIELDS!

These turf fields are very similar to the synthetic turf fields at The Ripken Experience in Myrtle Beach, SC; the University of Illinois Baseball Field in Champaign, IL; and the Tampa Bay Rays Tropicana Field. Lenz Field & Sports Complex simply eliminate rain outs! **IF IT'S NOT RAINING AT GAME TIME YOU ARE ALMOST ASSURED OF GETTING YOUR GAMES IN!**

We are hosting this event for the fourth year. The past three years we have hosted teams from **Illinois, Iowa Missouri, Wisconsin and Indiana.** We expect to have teams from numerous states again this year.
